1. The Board as a group will assume responsibility for excellence in governance.
2. The Board will maintain its major focus on the intended long-term effects among the Beneficiaries, not on the administrative or programmatic means of attaining those effects.
3. The Board will direct, oversee and inspire the work of the Congregation by establishing written policies expressing the Ministry to be achieved and the means to be avoided. These policies will reflect values and priorities discerned by listening to the Ownership.
4. The Board will cultivate a sense of group responsibility where the gifts and expertise of individuals enhance the ability of the Board as a body to govern with excellence.

Governing Style (page 2 of 2)

5. The Board will exercise whatever discipline is needed to govern with excellence. Emphasis will be placed upon continual educational development, including new member orientation and self-monitoring of the governance process.

Board Members' Code of Conduct

Policy Type: Governance Process

Adoption Date: July 2009

The Board commits itself to ethical, respectful and lawful conduct, including proper use of authority and appropriate decorum when acting as Board members.

Accordingly,

1. Members shall represent unconflicted loyalty to the interests of the Ownership. This accountability supersedes any conflicting loyalty such as that to other church courts, advocacy or interest groups, or membership on other boards, committees or staffs. It also supersedes the personal interest of any member acting as a BENEFICIARY.
2. Members must avoid conflict of interest.
 - a. There must be no self-dealing or any conduct of private or personal services between any Board member and the Church except as procedurally controlled to assure openness, competitive opportunity and equal access to information.
 - b. When the Board is to decide upon an issue about which a member has an unavoidable conflict of interest, that member shall declare the conflict and the Board will decide if it will be necessary to ask the member to absent herself or himself without comment from both the deliberation and the vote.
 - c. Members shall not use their position to obtain employment within the Church. Should a member desire employment, he or she must first resign from the Board.
3. Members will respect the confidentiality appropriate to issues of a sensitive or personal nature. Members will not disclose personal information without the consent of those persons except when mandated or allowed to do so by law.
4. Members will use the following approach to conflict resolution:
 - a. We will initiate actions needed to preserve unity and peace. *(Ephesians 4:1-3)*
 - b. We will honour differences by taking the time to listen in order to understand, and by speaking in considerate ways. *(Ephesians 4:11-13)*

Board Members' Code of Conduct (page 2 of 2)

- c. We will respect one another, speaking opinions in love and maintaining solidarity - especially in the presence of differences. (*Ephesians 4:15-16*)
- d. If at any time we have a constructive criticism or complaint against another member, we will safeguard the spiritual unity of the Board by taking the steps prescribed in Matthew 18:15-17. (*First, go to the person alone; second, if necessary, go to him or her with two or more witnesses; third, if necessary, bring the matter before the whole group.*)
- e. If another person brings to us any criticism or complaint against any other member of the Board, we will direct that person to take the steps prescribed in Matthew 18: 15-17. If the situation requires, we will be willing to go with that person as a witness. We will not entertain any kind of criticism or complaint against any other member, except in the presence of the one against whom the criticism or complaint is made. (*Matthew 18:15-17, Ephesians 4:31-32*)
- f. We will pray for grace to become aware of our own part in any rift between us, for the grace of God's nurturing presence with others, and for the grace of healing for each broken relationship or threatened relationship. (*Ephesians 3:16-20, 4:32- 5:2*)

3. Board decisions will be stated as clearly as possible in written form.
4. Only written Board policies will direct the work of the Lead Minister.
